

DEFEAT Cancer Group:

On **Saturday July 11th** we are planning the first **DEFEAT Cancer river paddle** in lieu of our monthly hike. We are planning to **gather at the Sunriver Marina at 9:30 AM** and will paddle to the Sunriver take out point which will be about a two and one half hour paddle.

People are encouraged to bring their own kayaks or canoes or they can rent from Sunriver. The cost of rental is \$65 for a canoe (will carry three people), \$65 for a single kayak (one person), and \$100 for a double kayak (two people). If you bring your own boat there is a \$10 charge to transport it back to the Marina. If you rent a kayak or canoe from Sunriver, transportation and a personal flotation device (PFD) will be included in the rental fee.

We need to know how many boats will be required to be rented from Sunriver Marina by Monday the 22nd of June. If any one is concerned that the cost of boat rental may prevent their participation, please contact Marlys Johnson about possible DEFEAT Cancer scholarship monies. We would like to maximize the participation of this event.

After the paddle we are all going back to **Jeff and Penny Scott's house** for a **picnic lunch**. Penny and Jeff will supply turkey burgers, iced tea, soft drinks and a few beers. Each participant group is asked to bring a side dish or dessert and any special drinks. **Please coordinate with Penny Scott at jeffpenny@ykw.net or 541-598-7477**. Paddlers will either want to bring their dishes in ice chests or drop them off at Jeff and Penny's prior to the paddle. Detailed directions will be provided to Jeff and Penny's, and the Sunriver Marina at least 10 days prior to the event. Kids are welcome and encouraged. Horse shoes, Bocce Ball, children's play set, friendship and good conversation will be provided.

Twenty eight people are signed up at this time but we hope to see everyone there.
